

Silver & Turquoise Ball

ONE OF THE COMMUNITY'S OLDEST ANNUAL EVENTS, the Silver & Turquoise Ball began more than 60 years ago. The evening's black-tie dress code made a terrific backdrop for the silver and turquoise jewelry that was worn by some of Tucson's most prominent ladies during the first years of the ball.

Jackie Ludwig-Burford, chair of the 2013 Ball, heads the 50-member Board of Hostesses, who work throughout the year to present this extraordinary event. With the Seven Pipers Society welcoming guests as they arrive at the scenic Arizona Inn, the evening promises to be a memorable one. A gourmet dinner and dancing under the stars will be highlights.

Proceeds benefit the work of the Patronato Mission San Xavier del Bac, dedicated to the Mission, which can trace its origins back to the 17th century. The Silver & Turquoise Board of Hostesses is one of the largest donors to the ongoing conservation of San Xavier.
